

XXVI National Meeting  
of Devotees of Sathya Sai Baba in Poland  
Łódź, 30 April – 3 May 2018

# Trust in Your Heart

We cordially invite all devotees of Sathya Sai Baba and those interested in learning Bhagavan's teachings to participate in the XXVI National Meeting, which will take place at the JAN SANDER Hotel, ul. Wycieczkowa 2/10, 95-070 Rąbień AB. The hotel is located on the border of Łódź, on the west side, that is on the side of Aleksandrów.

**The motto of the meeting will be „Trust in your heart”**

## GUESTS

One of our honorary guests will be **Soobramoney Naidoo**, called Uncle Soobri, from South Africa. He has been a dedicated devotee of Swami for over 30 years. He is a great speaker, he knows many inspirational stories related to Sathya Sai Baba and has great knowledge to convey. At the SSIO he served as the coordinator of the seva in South Africa and conducted Balviccas classes. Now he is the international decoration coordinator at Christmas in Prashanthi Nilayam. During the last holidays he gave a beautiful lecture on how to manifest God in himself, which perfectly correlates with the motto of our meeting – „Trust in your heart”.

The second extraordinary guest will be **Dana Gillespie** – a popular British blues vocalist, a longtime devotee of Swami and his favorite singer. Dana has repeatedly glorified Shri Sathya Sai Baba's birthday at Prashanti Nilayam with her concerts. She is also known to devotees in our country, because it will be her third participation in our nationwide meeting.

TRUST IN YOUR HEART” is the title of her last album. The motto of the co-organized European pilgrimage to Prashanti Nilayam, which will take place on July 28 – August 2, 2018, is the same. The pilgrimage program includes a concert by Dana with the European choir. We will have the opportunity to enjoy her concert during our meeting (May 3, 16:00 – 18:30).

## PROGRAMME

During the convention, we will also deal with the subject of protection of our planet, with particular emphasis put on the proper use of energy, in reference to the planned for July Go Green Conference 2018, in Prashanti Nilayam. The goal will be to understand the inseparable connection between God, Nature and Man. We will find, as usual, time for songs, performances, meditations and something for the body - blocks of exercises. As always, we hope that this time spent together will be a great spiritual experience for us! You will soon receive a detailed program.

National meeting of Sathya Sai devotees is a spiritual meeting. And it's up to us whether we would create and uphold atmosphere of brotherhood and love. It has to be helpful for all of us in individual spiritual work inspired by person, life and teachings of Bhagawan Śri Sathya Sai Baba. It's not a social meeting and it's not an opportunity to advertise professional activity of its participants connected with healing, holistic treatment or other spiritual paths or any other activities that are beyond Sathya Sai Organisation activity.

## CODE OF CONDUCT

1. Try to focus on inner experience of God in your heart, which is most felt in the silence. Try to silence your mind and talk the least. If you speak, speak softly and in a delicate way.
2. Use the opportunity, that gives you this meeting, to arouse in yourself the greatest love for God and world. Take part in prayers, meditation, singing and those panels, that are interesting for you.
3. Remember that atmosphere of peace and love is not born from nowhere – we all create it. You are an embodiment of love. Feel it and the world around you will shine.
4. Restrain from smoking cigarettes, if you have to smoke do it in a desolate place, so that your habit will not disturb others. Drinking alcohol is absolutely unacceptable.
5. Food served during meeting is vegetarian. If you do not order food from canteen, respect non-violence rule, and if you eat meat – refrain from it during meeting.
6. Concentrate on your inner and not on what is outside. Regarding dress refrain exposing your body.
